Dr. Kenneth M. Gordon Memorial Scholarship

Sponsored by the San Francisco Bay Chapter of the
Society for Technical Communication

TECHNICAL COMMUNICATION SCHOLARSHIP

The Dr. Kenneth M. Gordon Memorial Scholarship will accept scholarship applications for the 2023-2024 Academic Year.

Scholarship winners receive cash awards ranging from \$500-\$1000 each and are eligible for a complimentary student membership in the Society for Technical Communication (STC).

The Gordon Scholarship is sponsored by the Northern California chapters of STC. More information about STC may be found at <http://www.stc.org>.

Eligibility

Applicants must be currently enrolled in a certificate or degree program in technical communication, and

- have at least three technical communication courses completed or in progress.
- have at least one of those courses completed by the time of application.
- will be continuing their technical communication studies in the fall 2023.

For a technical communication program to qualify, it must:

- be at an accredited college or university in Northern California.
- emphasize an area of study directly related to professional work in technical communication.

Evaluation

- Recipients must demonstrate potential for success as professional technical communicators.
- Recipients will be selected from among the applicants by a committee of experienced technical communicators. The committee considers all required application materials. The committee does not consider financial need.

Required application materials

- Completed application form
- Official transcripts and descriptions for technical communication courses
- One or more letters of recommendation
- Three samples of technical communication work
- Personal statement

Deadline

All application materials must be postmarked no later than 31 July 2023.
